## PROFILE

Highly motivated and committed Cardiology Device Technologist with a proven history of superior performance at individual, team and organizational levels. Strong ability to multitask and prioritize workloads with little or no supervision. Detail oriented. Looking to bring a medical background and team-building skills to a deadline-driven environment.

## EXPERIENCE

CRM REMOTE MONITORING TECHNICIAN, GENEVA HEALTHCARE;  
LAS VEGAS, NV 01/2016 - PRESENT

Managed remote monitoring care for CRM clinics. Reviewed transmitted data and created reports for physician review of routine monthly & quarterly reports as well as notification of alerts due to abnormal findings. Held presentations for prospective clinical users. Assisted in the implementation and training of new practices to Geneva system.

CRM REMOTE MONITORING TECHNICIAN, RHYTHM MANAGEMENT GROUP;  
LAS VEGAS, NV 04/2016 - 07/2016

Managed remote monitoring care for CRM clinics. Reviewed transmitted data and created reports for physician review of routine monthly & quarterly reports as well as notification of alerts due to abnormal findings.

CARDIOLOGY DEVICE TECHNOLOGIST, NEVADA HEART & VASCULAR CENTER;  
LAS VEGAS, NV 06/2013 - 07/2016

Interrogated cardiac rhythm management devices & report findings to physicians on routine and as needed basis. Programmed CRM devices based on findings and at physician request. Managed & created reports for physician review of remote monitoring systems. Performed tasks for device related studies.

HOME MONITORING ASSOCIATE, BIOTRONIK, INC; LAKE OSWEGO, OR  
09/2008 - 06/2013

Assisted patients, field representatives and clinicians with Home Monitoring system for cardiac rhythm management products to include troubleshooting of monitors and website. Created new remote monitoring sites, handled transfer of data for change of physician purposes and other administrative tasks. Onsite education performed with clinics as needed. Composed technical documents for use by technical and education departments.

INDEPENDENT FIELD REPRESENTATIVE, BIOTRONIK, INC; LAKE HAVASU CITY, AZ  
01/2007 - 09/2008

Provided cardiac rhythm management products and on-site technical support to implanting physicians. Analyzed and adjusted CRM devices on routine basis and as requested by physician.

CARDIAC MONITOR TECHNICIAN, HAVASU REGIONAL MEDICAL CENTER;  
LAKE HAVASU CITY, AZ 05/2004 - 09/2008

Observed cardiac monitoring system for cardiac unit. Clerical duties such as answering phone and patient call system, physician order entry and medical record filing. Other duties as requested by management within scope of practice.
